Organisation of the ECACC 2009 Fall Conference

Dear Anton,

On behalf of the European Council of American Chambers of Commerce (ECACC), we would like to thank you for participating in and organizing an extremely successful Fall conference 2009 in Malta. The conference was thoroughly appreciated by all members and was well thought-out and executed. Our members would also like to thank the AmCham Malta Board members who were active in all parts of the conference and integral to the success of the programme. We would particularly like to mention the immense hospitality shown by all AmCham Malta members during the programme both in providing us with, not only, excellent business meetings but also superb recreational activities. Feedback received from members so far has been extremely positive.

The highlight of the conference, for many members, was the inspirational session your Chamber successfully organised with Professor De Bono. This was for many of us a once in a lifetime experience. The members of ECACC are extremely grateful to and your Board for providing us with this chance. The group would also like to thank you for setting-up meetings with the Finance minister and the Deputy Prime Minister. We were particularly impressed with the dinner held in the presence of the Maltese Finance Minister at the Notre Dame Gate, where we were able to create an awareness amongst ECACC members of the priorities of the Maltese government. Both the setting and content of this dinner were truly impressive.

Once again, on behalf of our 41 Member AmChams and especially the 17 that attended the conference, many thanks to AmCham Malta for making the conference a complete success and to the immense hospitality shown at all times.

Sincerely,
