

Dear AmCham Malta member,

The US Embassy in Malta, in collaboration with the American Chamber of Commerce in Malta (AmCham Malta), will be organising a seminar on 22nd May at Malta Enterprise in G'Mangia, entitled “**Transatlantic Trade and Investment Partnership – New Opportunities for Maltese Businesses**”. The Seminar will be discussing the potential opportunities that the planned TTIP initiative between the US and the EU will offer Maltese businesses from a variety of expert perspectives.

You are cordially invited to attend. I believe that the proposed Partnership will be of particular interest to you, and can provide an opportunity for business expansion.

I am also attaching the programme of the event and a bio of Mr Peter Chase who is Vice-President Europe of the American Chamber of Commerce (aka US Chamber of Commerce), and who will be addressing the Seminar. Further information and confirmations are available on tel 2561 4120 or maltabusiness@state.gov

Please let me know if you need any further information.
